

## **Hello:**

We want to thank you for looking at our portfolio and considering adoption. It is a courageous decision on your part. We are excited to share our story with you and allow you to get to know us. We are Matt and Veronica and desire to adopt a child or children to build the family we have always dreamed about. Our journey to build our family started years ago and we chose adoption.

Despite all that we have been blessed with, we know, without a doubt, that sharing it all with children would be the greatest blessing of all. And honestly, it's sometimes very hard on both of us know that we have so much to give and are not able to. We have so much love to give and a deep desire to be parents.

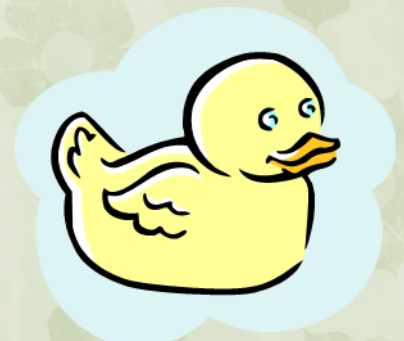

## **Falling In Love**

We met online in 2004 and after several emails and phone calls decided to meet for lunch where our interest in each other grew. Our second date consisted of a movie, dancing and pizza (which Matt made for Veronica). We enjoy being together even if it is hanging around the house and consider each other's best friend. Our love for one another continues to grow. We have been married since 2006 and our relationship is based on love, friendship, shared values and respect.

## **Our Home**

Our home is in a quiet northern suburb of Milwaukee. We often take walks around the neighborhood and see many families doing the same. Sometimes we walk to the nearby park to watch the kids play softball. Our neighborhood park also has swings and a great playground. We will provide a loving, supportive and nurturing home for a child to grow in. Education is very important to both of us and there are several schools near our home. We will provide support from our extended family including grandparents, aunts, uncles, nieces and nephews. Our family shares holiday traditions and celebrations together. Many times our home is the family gathering place for Christmas, Easter and birthdays. Caroling at Christmas and coloring eggs at Easter are some of the annual activities we would love to continue to share as a family. Our hope is to raise a loving child in a Christian environment.

Please know that we will provide the very best and most loving home. Your child will be deeply loved and will have a completely devoted mother and father, a

loving extended family, friends and a great home. We will travel together, instill family and cultural traditions, give spirited guidance, offer a terrific education and provide unconditional love and support.

We would love to meet with you and allow you to get to know both of us better as well as us getting to know you. Our thoughts and prayers are with you as you make this journey.

Thank you for reading our letter,  
Matt and Veronica
