For public health and safety during the COVID-19 coronavirus outbreak, we will continue to offer services by appointment only. All appointments need to be scheduled.

This will give us time to clean and avoid spreading the virus.

Our doors will be locked during this time to control access.

Please see the list to the right to schedule an appointment for the service you need.

Keep healthy,

All Appointments will be conducted over the phone. Please be sure to call your case manager to see when your next appointment will be. All gas/bus vouchers will be mailed if you are eligible. We are no longer seeing people face to face for your safety.
